# 1963 Bulldog

BATESVILLE HIGH SCHOOL • BATESVILLE, INDIANA

## DEDICATION . . .

This book is dedicated to Batesville's Bulldogs

Four years ago--scarcely "pups" in the Bulldog family--the graduating seniors of 1963 began their careers as Bulldogs. The years since that time have been full of activity. There were classes, where they learned that high school was going to be a new and different thing from grade school; athletics, where they learned that school loyalty was more than just a word and excitement and tension were a real part of school life; and organizations and activities, where they learned that one must know how to lead and follow in this modern world.

The years have gone by as if by magic. The green freshmen became the confident sophomores, the suave juniors, and finally the mature seniors. High school began to draw rapidly to a close for the senior Bulldogs.

Now they stand ready to enter into a new world of a different kind of education--the education of life. It is a world where they must make the most of their abilities, their ambitions, and their recently acquired knowledge. They stand ready for this world much as they stood ready for the world of Bulldogs four years ago.

As you follow the Bulldogs through this book, keep in mind these seniors, for this is a well-known course to them, and it is one that they have traveled often.

They leave behind them a path upon which everyone may . . .  
**FOLLOW THE BULLDOGS!**

## CONTENTS . . .

## FOREWORD

As the school year passes,  
Batesville students are on the  
move . . .

Learning, growing, and  
developing into the citizens of  
tomorrow, the leaders to be  
of the community move ahead  
in the classroom. Nothing  
can stop their progress.  
They make the most of the  
time spent in class for it is  
time that, once lost, can  
never be regained.

The year passes . . . but the  
Bulldogs never stop  
progressing.

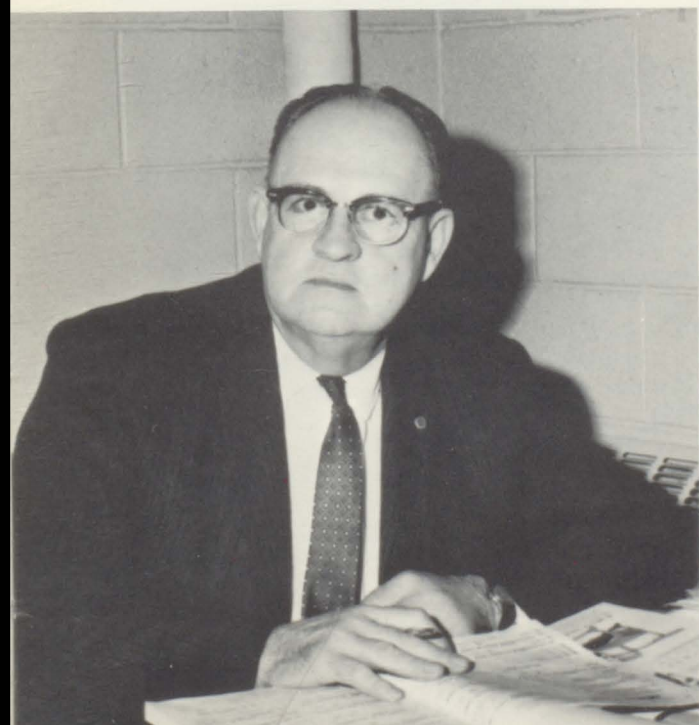

## THE BOARD'S VOICE IS THE PEOPLE'S CHOICE

School Board —

Robert Walsman, Robert Stewart, Charles Swain, Robert Timmerman

Superintendent — Charles I. Swain

Principal — John H. Frushour

FRANK SETEAR--Guidance Counselor

Giving help when asked for, correction when needed, and assistance in any problem the student may have, Mr. Setear provides direction for us. Freshmen with problems, I.Q. tests, and Seniors preparing for college all come under his jurisdiction. He helps us all to attain our capabilities.

ANN ROTH--Superintendent's Secretary

From this desk come all of the ideas put into effect in Batesville High School, for Ann Roth must handle all matters that enter the Superintendent's office. Without her quiet efficiency, B.H.S. would never operate as smoothly as it does at present.

HATTIE HEGWOOD--High School Secretary

Here is a woman of many talents. She has duties ranging from recording all of the grades issued during the school year to collecting attendance records. She performs all of her duties so well that it often seems that she is a marvel of efficiency. Yet she is so unassuming that one would never know that she has done so much.

## STUDENTS DISCOVER THAT STUDY PAYS BENEFITS

Most Batesville students learn early that the only way to success in school is found in hard work and determination. They know that, in the end, all of their efforts will pay off . . . especially when those report cards come out. Many learn, to their amazement, that it's all a lot easier than it looks.

ABOVE: Miss Heim's English class concentrates on a lesson in grammar.

LEFT: Typing skills are learned in a slow but sure manner.

LEFT: Mr. Vicars shows art students how to letter correctly.

It comes as a great shock to many students to learn that it is often helpful to ask the teacher for assistance. But you can be sure that every pupil will aid his fellow pupil in time of emergency.

## CO-OPERATION IS SOMETIMES NEEDED

ABOVE: Beverly Moody seems to have the right answer. Soon everyone will.

RIGHT: Lab assistants try to pour acid on each other's hands and also manage to get some in the test tube.

Batesville's new library room provides space for study for the ever growing student body.

## NEW LIBRARY STIMULATES INTEREST

Many returning students were surprised to find that the school library had been moved previous to their beginning the school year. In place of the old, cramped, upstairs library, they found a new room downstairs; a room that more nearly matched the needs of the students. New equipment and many new books added to the excitement of the venture.

Mrs. AllseitZ checks out books needed for research.

Some users of the library prefer to read only intellectual material.

Tony Moll learns the correct way to use a band saw.

Soccer provides excitement for boys' physical education class.

## TRAINING FOR BOTH BODY AND MIND

It is important in our educational system that a person be trained to use his body as well as his mind. In keeping with this principle, the physical education, industrial arts, home economics, and driver's training programs become integral parts of our total education.

Mr. Wernke points out the motor to his amazed driver's ed. pupils.

Mike Huneke and Ron Barrett attempt to get a passing grade in a time honored method.

## CLASSES HAVE "LIGHTER MOMENTS"

It isn't always work in class. Sometimes there is time for a joke or two or a supposed "study period." And sometimes one can get a lot of enjoyment out of merely watching the people around him, for he can be assured that they will probably be more interesting than any book.

The atmosphere of the study hall brings out the industry in this happy trio.

"Where do they get all this junk?"

# ACTIVITIES

The Queen is crowned . . . . . appropriately

## HOMECOMING HIGHLIGHTS FOOTBALL SEASON

The highlight of the football season was, as always, the homecoming celebration. Of course, there was the excitement of the returning graduates, the thrill of competition for the winning class float, the crowning of the queen, and, to make it complete, a Batesville landslide over North Vernon in the football game.

The winning senior float

### Queen and Court

Linda Wells, Mitzi Buck, Nancy Sarringhaus, Queen Virginia Wilson, Carol Poske, Lynn Gardner, Ann Lightner.

## HOMECOMING QUEEN

Ruling over the homecoming activities was Virginia Wilson. Charm, cheerfulness, and a winning smile all make up her royal personality.

### Pumpkin Queen Representative

Gerry Hane, Batesville's representative to the annual Pumpkin Queen contest, combines talent and poise to form her regal appearance. Her showing in this contest was indeed a credit to the community and school.

Design winner, Carlyn Steinkamp, works on another of her many projects in her art class.

An addition to this year's annual was the creation of an original cover design. In order to make this design, Mr. Howard Vicars, art instructor, first had those interested submit an original idea. These were judged by Mr. Vicars, and the best were put aside for future selection. Then the annual staff eventually made the final choice.

Carlyn Steinkamp, senior student, was declared to be the winner with her striking example of a barking bulldog, the picture of the spirit of Batesville High School.

## CARLYN STEINKAMP DESIGNS YEARBOOK COVER

Mr. Vicars helps Carlyn over some of the difficulties of the design.

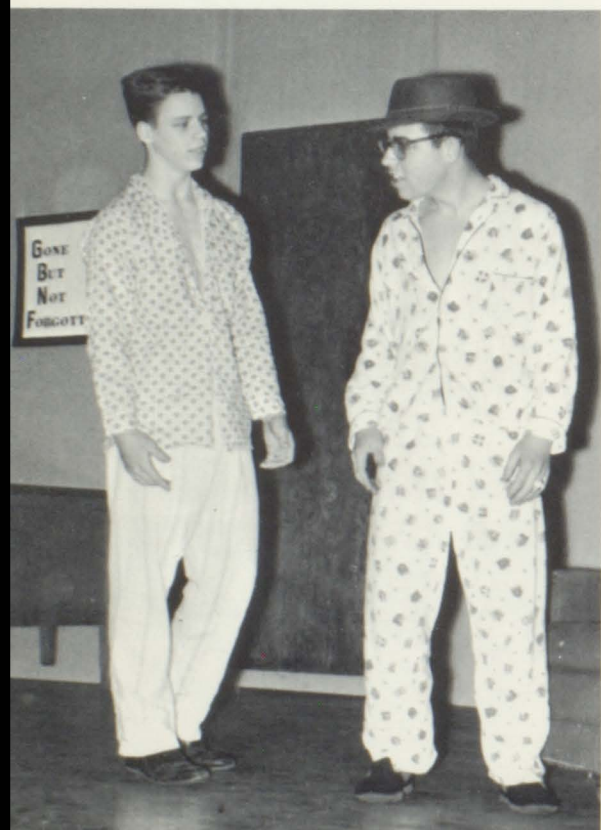

Jim Waechter plays a not-so-dead corpse in the thriller presented by the Junior Class.

## JUNIOR PLAY IS A "CHILLER"

Mystery, dreadful and chilling, surrounds the mortuary home of Uncle Bob Nelson. A corpse that walks, a murderer unknown, and uneasy suspicion confront the two heroes, Hercules Nelson and Wilbur Maxwell, young visitors at Uncle Bob's house. With frightened courage and shaken bravery the two boys shudder through one episode after another, until they finally bungle their way to triumph and solve the mystery of playing FINDERS CREEPERS.

Hercules Nelson and Wilbur Maxwell (Gary Miller and Bob Suttman) have their share of the problems and are ready to leave in spite of their dress.

Lynn Gardner takes the sign above her literally.

A popular lunch period pastime among the boys is playing horseshoes. Here, under the watchful eye of Mr. Lemen, an earnest try for a "ringer" is made.

## SCHOOL PROGRAM INCLUDES MANY "UNORGANIZED" ACTIVITIES

Along with the school program of officially sponsored and organized extracurricular activities, there are also some activities of a less-than official nature. These too help to make the school year a memorable one and give the students another opportunity to make the most of their free time, whether in work or play.

The ice cream truck proves to be a popular "fair weather friend" as several freshman girls line up for dessert.

Among all the fun and games, Art Marticke uses the time when the students are out of the building to make sure everything sparkles.

## ASPIRING TEACHERS LEARN FUNDAMENTALS

The purpose of the Future Teachers of America and Exploratory Teaching is to acquaint interested students with the teaching profession. Exploratory Teaching especially gives the student a chance to "try his hand" at actual teaching. Capable students are encouraged to continue in further preparation for a teaching career.

## Exploratory Teachers

Exploratory Teachers and their co-operating teachers are: Bill Hegwood--Mr. Fitzgerald, Dan Youngman--Mr. Blair, Carol Poske--Mr. Stidham, Mr. Brokamp, Sponsor, Ella Lehman--Miss Green, Mike Wernke--Mr. Wernke, Wesley Walker--Mr. Sheets.

## National Honor Society

LEFT TO RIGHT: Linda Kessler, Barbara Koester, Mark Merkle, Margaret Lehman, Robert Artmire, Carol Poske, John Huneke, Mr. Brokamp, Sponsor, Don Werner.

Scholarship is the key to membership in the National Honor Society, and it is an honor well worth striving for during the four years of high school. These students represent the "upper crust" of high school students, not just at B.H.S., but at almost every high school in the United States. Once attained, membership is a mark of distinction to be worn proudly in every endeavor.

## SCHOLARSHIP AND LEADERSHIP

Leadership is the quality necessary in every good member of Student Council. In this organization, the guidance of most student activities takes place.

## GIRLS LEARN VOCATIONAL SKILLS

These organizations are for the purpose of giving experience to girls interested in nursing as a profession and, of course, all those interested in someday becoming a wife and homemaker (and what girl is not interested in this). They allow the girls to learn by doing the things necessary to these vocations. Future Nurses actually do volunteer work at the local hospital, and Future Homemakers get first hand experience at all the skills necessary to the efficient management of a household.

The Spanish Club and Science Club are two organizations for the purpose of providing recreation and instruction to those interested in these areas of study. One of the branches of the Science Club, the Rocket Club, actively participates in the building and firing of miniature rockets.

Editor, Carol Poske; Assistant Editor, Bob Uhlman-siek; and Adviser, Loren Carmichael take time out to relax.

Recognizing the need for increased coverage and circulation, the Broadcast began to work toward a bi-monthly newspaper early in the school year. Of course, this meant that there was a necessity for an entire reorganization of the staff and method of publication. The staff decided that it would be necessary for the school to print its own paper rather than sending it to a printer, and, with this in mind, equipment was purchased for the printing of the paper. The problem of deciding how many copies to print was also solved by selling subscriptions rather than selling individual copies. Under the guidance of first-year adviser Loren Carmichael, the entirely new Broadcast began to move forward.

## PUBLICATIONS REORGANIZE

## TO BETTER SERVE BATESVILLE

After one year's attempt to publish a yearbook to be distributed in the fall, the Annual once again returned, by popular demand, to spring distribution. In an attempt to follow tradition, the staff decided to return the name "Bulldog" to the Annual. This had been the name applied to the yearbook in most of the early years of its publication, but during recent years the policy of choosing different names each year had prevailed. In this year's Annual, you will find the theme of "following the Bulldogs" has been adhered to throughout.

New adviser, Robert Snoddy, points out his ideas to April Baas who seems to have a few ideas of her own.

**Hi-Y**

G.A.A. officers get ready to throw in the ball to start the game. They are: Jenny Lightner, treasurer; Mitzi Buck, vice-president; Phillis Flodder, president; and Linda Wells, secretary.

G.A.A. is an organization that attempts to prove definitely that the world of athletics is not limited to male members. Headed by Mrs. Voegele, the girls actively participate in sports such as basketball, volleyball, softball, and archery. Not only are the fundamentals of such sports learned, but also many of the more technical aspects of the games are mastered by the girls. Their activity also makes spectator sports more interesting to them since they are watching. At all times they are taught the elements of good sportsmanship--a lesson that they carry with them through life, both on and off the athletic field.

## G.A.A. PROVES SPORTS ARE ALSO FOR GIRLS

## PEP CLUB SYMBOLIZES BULLDOG SPIRIT

Enthusiasm, cheers, screaming, and noise are all one word synonyms for the Pep Club. But it is more than these things. It is also Batesville school spirit personified. It is the leader in all spectator activities. It is the "bark" of the Batesville Bulldog.

Cheerleaders, Phillis Flodder, Pam Kopp, Joan Flodder, and Virginia Wilson, lead the Pep Club in a cheer at a pep rally.

## IMPROVED BULLDOGS GENERATE EXCITEMENT THROUGHOUT SEASON

Though winning but two games, the 1962 football team proved to be one of the most exciting ever. Many of the games were close right to the end, and with the help of the evasive Lady Luck, this might have been one of the greatest seasons ever. Win or lose, thrills were the byword of every game.

The field is a mass of players as a North Vernon back is brought down.

## SENIORS PROVIDE NEEDED EXPERIENCE FUTURE IS PLACED WITH UNDERCLASSMEN

With the seniors shown on the opposite page leading the way, the football team got started back on the road to better teams. The seniors provided the backbone needed in the sport and the all important experience necessary to good play.

Now it will be up to the underclassmen like those shown on this page to continue the upward trend. These are the "stars" of tomorrow even as the seniors were the "stars" this year.

### Freshman Team

FRONT: C. Miller, R. Schroeder, S. Placke, D. Stille, D. Poske, T. Steinkamp, P. Schwab, B. Goldsmith, T. Miller. BACK: K. Kopp, D. Ricke, M. Miller, D. Fichtner, M. Obermeyer, B. Fledderman, D. Borchelt, E. Moody.

## Varsity

Phillis Flodder, Pam Kopp, Joan Flodder, and Virginia Wilson.

Keeping school spirit high is the job of the cheerleaders. Win or lose, the cheerleaders keep the fans "behind the Bulldogs" and help add their contribution to desire and spirit of the team. They also keep the pep club going with resounding yells and aid in every way true sportsmanship.

## CHEERLEADERS PROVIDE "BARK" FOR 'DOGS' BITE

### B-Team

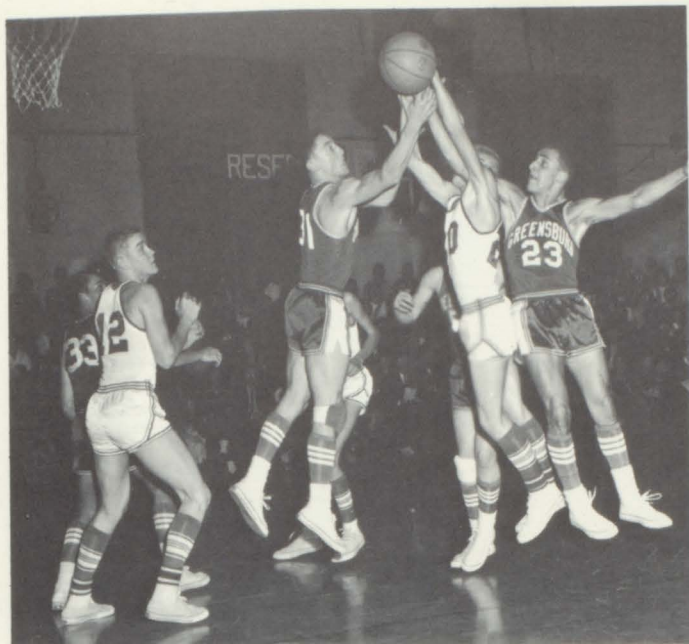

Mitzi Buck, Carolyn Bosse, Linda Wells, and Karen Meyer.

### Freshmen

Jane Meyers, Diana Maple, and Becky Logan.

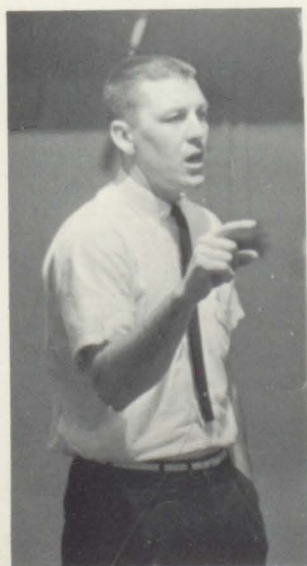

ABOVE: Larry Bergman rebounds while Kenny Bohman waits to grab the ball if it comes his way.

RIGHT: Bohman puts one in while Krinhop, Huneke, and Ward look on.

## BASKETBALLERS BOAST CHAMPIONSHIP TEAM

Batesville basketball fans found plenty to yell about this year as the team put together one of the greatest seasons ever in Batesville history. The Bulldogs put the ball through the hoop with amazing regularity, and they pulled through the season with championships in the Conference with a 5-0 record, runners-up in the County Tourney, and, greatest of all, Batesville's first Sectional win in eleven years! On the way, they compiled a 21-4 season--a feat which most teams would covet even without the other laurels. It took a fired-up Connersville team to eliminate the Bulldogs from the running in the Regional, but the team looks forward to next year to avenge the loss.

## CROSS COUNTRY TEAM

A new sport at Batesville High School, Cross country be-  
gan on a note of complete inexperience. Dropping its  
early meets to the likes of strong Greensburg and  
Lawrenceburg teams, the team got its bearings and  
finished out the season by finishing a respectable third  
place in the conference meet.

Fledderman steps out near the end  
of the course.

## GOLF TEAM

The 1962 golf team gave great  
promise of things to come.  
Six of the eight members were  
freshmen, and Coach Gard-  
ner began to look for future  
years.

FRONT ROW: T. Hardebeck, D.  
Doyle, B. Hammerle, B. Walsman.  
SECOND ROW: B. Westerfeld, P.

## BASEBALL TEAM PROVIDES ACTION

Finishing the 1962 season with a four win and seven loss record, the baseball team provided many a fan with some of the best action and greatest thrills of the athletic year. Almost every game was a close one, and only lack of hitting power made this year less than a really great one.

I wonder if they would notice if I walked down to second base?

Meyer takes a cut at a fast ball!

FRONT ROW: T. Bischoff, D. Mollaun, P. Smith, J. Christopher, C. Albers, L. Hooten, R. Waltermann, R. Uhlmansiek. SECOND ROW: Coach Lemen, D. Youngman, D. Abplanalp, C. Walke, J. McNabb, R. Erxleben, W. Heinlein, D. Meyers, W. Hegwood, L. Meyer, T. Fledderman, M. Wernke, D. Tekulve.

## COUNTY CHAMP TRACK TEAM HAS BRIGHT FUTURE

The 1962 Track team put a great deal of bite to the bulldog bark and ran off with top honors in the county meet. The future looks to be just as bright, since many of the boys will be back for several years to come.

Perfect form is displayed in the pole vault.

Heinlein brings home the bacon.

# UNDERCLASSMEN

Shirley Borchelt and Joan Flodder wait anxiously for their class rings.

Part of the fun of being a junior is preparing for the senior year. Of course, one of the biggest moments in the life of every junior comes when he finally gets his class ring. The ring may represent weeks of saving, borrowing, or pleading with the parents, but when it finally arrives, all seem to agree that it was worth all the trouble.

## LEADERSHIP IS LEARNED EARLY

Early in their high school career many students learn the difficulties and responsibilities of leadership. Being a class officer is no easy task, and it takes a good deal of courage and ability for an inexperienced underclassman to take this burden upon his shoulders.

The future leaders of our community may surely be found among this group.
